

VEHICLES

Modified Landrovers and Landcruisers are used to travel in comfort as well as to remote 4x4 areas where the majority of other overland adventure companies cannot travel to, as their vehicles may not be able to travel extreme off-road conditions. Each vehicle comes fully equipped with all the items needed to camp, namely large two man tents, mattresses, tables and chairs, fridges, all cutlery/crockery and cooking utensils, shade awning etc. Clients are requested to bring their own sleeping bags and pillows as well as any personal effects like medicines. A first aid kit is provided. All meals are provided, with the emphasis on evening dinner, all cooldrinks and alcohol beverages are for client account. Each vehicle has forward facing seats with drop down windows and standing room. All adventures guides and assistants are well experienced and qualified to manage a successful and enjoyable adventure tour.
